

# **Spring Shakedown Tour**

**Sunday, April 1, 2012**

**Meet at PNC Bank at 10:00 AM**

*(PNC Bank is on 55<sup>th</sup> St, west of Rte 83)*

**The spring shakedown tour is designed to test your Model A to see if it's ready for the driving season. If you plan to drive to the MAFCA National Convention in Marquette, MI. this summer, or any other trips for that matter, this shakedown tour is a must. We'll drive around for about two hours, checking any car that needs help.**

**Around noon, we'll head for lunch at the Country House Restaurant, which is near the bank. After lunch, any Model A's in need of work can head for a SMORG at Jerry Sund's house.**

**If you know now that your Model A needs work, call Jerry to get the work done before the tour so you can make sure it's ready.**
