

**Train Ride to Roundhouse**  
**Take Your Sweetheart to Lunch**  
**For Valentine's Day**

**Join your fellow club members on the METRA BNSF train from Chicago to Aurora on Saturday, February 11, 2012. Take the train that gets to Aurora at 11:56 AM. Then just a short walk, to what formally was Walter Payton's Roundhouse but now is the Two Brothers Roundhouse, and we'll have lunch in the gastropub (see below).**

***Two Brothers Roundhouse***

**Welcome to the Two Brothers Roundhouse, the newest addition to the Two Brothers family. Passion for beer, love of food, and appreciation for great architecture flourishes in the walls of this historic 70,000 square foot facility.**

**Listed on the National Register of Historic Places, Two Brothers Roundhouse is the oldest limestone roundhouse in the United States. As we bring new life to this 155 year old building, join us in main dining room gastropub or our sports tavern and music venue. We look forward to seeing you soon. Cheers!**
